The clinic will be held at **California Yacht Club, April 6th** from **10 am - 6 pm***

A chalk talk covering rig tune and pre race prep is planned in the morning.

Bring a lunch & we'll eat as we motor out to the start line. There we will practice on the water starts and drills, followed by a debrief.

We may finish anytime between 5 & 6 pm. We then encourage you to join us at the upstairs bar for cocktails and camaraderie at the club afterwards.

Please bring your boat and crew to a fun day with Sam & Terry.
